Big kudos to you tough runners out at Colorado Bend this past weekend!

We hope y'all are ready for the finale of Capt'n Karl's in three weeks!

We're always proud to show off this awesome park year after year and see runners' reaction to the varied and beautiful terrain. Thanks to all runners, volunteers, and park staff for making this one for the books.

Our Next Races

[Capt'n Karl's: Reveille](#) - 8/25

Our night time trail series concludes most appropriately at one of the best privately owned adventure parks in all of Texas, the amazing Reveille Peak Ranch! his course really has it all....single track, exposure, tree-covered woods, hills & technicality. The most elevation change of the series.

[Paleface Trail Run](#) - 9/8

A short drive from Austin, near the small town of Spicewood, this trail running course is set on a peninsula jutting out into Lake Travis. These twisty trails are constantly flowing up and down across rocks, roots, and hard packed trails. 5K distances all the way to a full marathon make this perfect for any runner!

[J&J Trail Running Reunion](#) - 9/28

One epic weekend you won't want to miss. 10K to 100K race distances and all kinds of fun in between. Camp and adventure for the whole family as a tribute to a pair of legends in the Texas trail community, Joe and Joyce Prusaitis. You better believe a ride on the 75-foot free fall super swing comes with your race registration.
